CHO Update

Christian Haitian Outreach

We Are Back on Track!

Greetings from the desk of the President,

It is with great pleasure that I write this letter of appreciation to you for supporting Christian Haitian Outreach, Inc. (CHO). Our children would not have a safe environment to live, a place to lay their heads at night, food to eat, clothes to wear, and the means to receive medical attention or a good education without your support. Most of all, because of you, they have been introduced to our Lord and Savior Jesus Christ and are being taught His Word. We pray that the opportunities given to the children will give them a future free of poverty. You have shown such love for the children. With your financial support, you have fulfilled the words of Jesus: 'For I was hungry and you gave Me food; I was thirsty and you gave me drink; I was a stranger and you took Me in; I was naked and you clothed Me; I was sick and you visited Me; I was in prison and you came to Me'. Then He (Jesus) will answer them, saying, 'Assuredly, I say to you, inasmuch as you did not do it to one of the least of these, you did not do it to Me' (Matthew 25:35-36, 45 (NKJV) I cannot help but give God the glory for you realizing that it is harvest time and the labors are few; I ask you to pray with me that the Lord of the harvest will send out laborers into His harvest [Matthew 9:38].

CHO is a great place to plant your financial seeds that will grow into a great harvest. God will repay you for your faithfulness. The Great Proverb said, "He who has pity on the poor lends to the Lord, and He will pay back what he has given" (Proverbs 19:17 NKJV).

Before the Lord called Mom Eleanor Workman to her eternal home, she asked my wife and me to take on the task of leading and guiding CHO when she realized she could no longer do it herself. We have been supporters of CHO since 1978. My wife and I can truly say that the Lord does pay back much more than we have given to the poor.

In this newsletter, you will read about some of the things that your funds have helped us to do for the children and the workers under the leadership of Dr. Franco Jean-Louis. Dr. Franco grew up in the orphanage and was like a son to Mom Workman. He worked by her side for many, many years. I, along with the Board of Directors, am excited to have Dr. Franco working with CHO. His willingness to give of his time, energy, wisdom and insight will be a tremendous asset to CHO. As your president, I wanted you to know he is doing an outstanding job and your funds are being used for the purpose for which they were given. We give God the glory for the things He is doing through all of us. Thank God for our Board of Directors who volunteer their time and give of their resources to ensure that CHO continues to carry out Mom Eleanor Workman's vision for CHO.

IMPORTANT UPDATES AND CHANGES

The Main CHO campus in Mariani, Carrefour needs extensive repair and updates. Because of this, the children have been relocated. We were able to secure a beautiful home in Clercine, Tabarra for our 33 children, ages 3 to 17 and special needs adults. This location is only a 10 minute drive to the airport, which is much easier for visitors.

We have also rented a home in Mahotiere, Carrefour for our young adults ages 18-26 and their supervisor. These young men will be enrolled in trade school this fall to equip them for success as independent adults.

Our Church on the Mariani Campus is still in operation with two Pastors and 200 members. However, due to the COVID-19 virus, they are not permitted to meet at this time.

We are starting a sponsorship program, which will allow individuals to sponsor a child's education or feed a child monthly. We will also encourage donors to sponsor orphanage workers.

Main CHO Campus *(Mariani, Carrefour)*	2 Security, 2 Gardeners, 1 Supervisor
Children's Campus *(Clercine, Tabarra)*	33 children and special needs adults 11 staff
Young Adult Campus *(Mahotiere, Carrefour)*	12 young adults 1 supervisor

I hope and pray that this newsletter will find you and your loved ones all dwelling in the blessings of our Heavenly Father during this crisis.

I want to thank you for the trust that you have placed in me to continue the legacy of Mother Eleanor Workman by proposing I take over the leadership of Christian Haitian Outreach. Initially, when the proposition was made, I hesitated at the enormity of such a responsibility on top of other ministerial obligations that I had here in Haiti. However, I have come to realize that there is no better way to honor Mom's legacy than to have one of her own children carrying on the divine vision that was entrusted to her for the nation of Haiti.

I understand now that God, through Mom, has been training me for such a time as this. As she took me under her wing to mission conferences, conventions and speaking engagements all over the US and Canada, I was privileged to have a front row seat to her passion and calling. I also had the privilege of meeting like-minded people who genuinely believed in her mission and would go on to be invaluable to the cause. Living in close quarters with Mom Workman, whether it be in Margate, Florida or Miami, allowed me the opportunity to spend much time in prayer with her. I can recall the countless times she prayed over me (and eventually over my wife and children) without me knowing what God had planned.

Like Elisha with Elijah, I purposed my heart to hold on to her and soak in her strength, wisdom, and anointing. Despite the challenges along the way, we can all agree that "many are the plans in the heart of man, but it is the purpose of the Lord that will stand." Thus, I reiterate my resolve as a servant to carry this torch boldly and uncompromisingly, with the firm assurance of being able to count on God foremost, and then also on you, for the benevolent support both spiritually and financially.

In taking on this responsibility and assuming it entirely, my wife and I are taking a leap of faith while also counting on your unwavering support in prayers and in deeds.

A special thank you goes to Pastor James Albert and his lovely wife for staying in this precarious situation for so long and helping to prevent the total collapse of this ministry. Your priceless support to CHO in the mission of bringing this ministry back to Mom Workman's standard of excellence will always be remembered. We vow to continue the vision Mom Workman started by reaching out to the lost and caring for the least of these at any cost.
